Welcome to the 64th annual Lazy JS Ranch Production Sale. We are sad to report that this is our last foal crop by Paid For Potion, but they are fantastic. We have been fortunate over the years to have raised some really good horses that have excelled on the ranch and in arenas across the country; most of our mares have been ridden and used for ranch work on our place as well.

Since we try to use the mares on the ranch before breeding, we can be more selective in our program. We have bred World Show Qualifiers, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners. We are an AQHA Ranching Heritage Breeder, so our foals are eligible for those events if you show.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome Carter Acres, Stearns Quarter Horses, Bob and Jan Quickstad, TC Quarter Horses, Brenda Flottmeyer, and Joe Sousa as guest consignors. The sale will be broadcast via CattleUSA if you can't be ringside. Directions to register are at www.cattleusa.com.

Please check out our websites at www.lazyjsranch.com and www.carteracres.com. Videos of most of the colts are on www.facebook.com/lazyjsranch.

We look forward to seeing you on sale day! Make sure to come view the colts with their mothers at the ranch and join us for lunch and of course, pie and coffee, on Saturday, August 19! Visitors are always welcome, so if you are in the area or passing through, please stop by. The coffee is always on and we'd love to have you!

Last foal crop by Whiskey

WHITCH POTION

Whiskey was a blessing to our family for the short time he was in our lives. Unfortunately, we lost him last fall due to complications from an accident, so this will be his last foal crop. Whiskey stamps his foals with great balance, muscle, and pretty heads. However, the best quality they possess is their minds. They want to please and are so kind, just like he was. While Whiskey was with Rahn Performance Equine, he showed so much promise in a variety of events. He was ranched on, was getting started in team roping, started patterning the barrels, and was even used to clear the rodeo arena during the Junior High State Finals. We feel his foals will have the same ability as their sire and look forward to them being champions for you and continuing the legacy he started.

Remington is a beautiful bay roan stallion we chose to replace his sire, LJSR Poco Hook. We knew he'd be an asset as we kept two full siblings before him. Tressa rides a full brother and his full sister is LJSR Roan Chinook, one of the best young mares on the ranch. We are pleased with our foal crop by Remington. They all have great dispositions, are well balanced, and refined where needed and have good minds.

Super athletic grandson of The Flying Saint. The Saint was a grand champion at halter and a race winner. He sired World Show qualifiers, ROMs, a Justin Rookie of the Year, and Solid Gold Barrel Race winners. Emperor's dam was one of the best producers we purchased from Stearns' Quarter Horses. She was an own daughter of AQHA Champion Mr Bar Pat Star who goes back to the great Oklahoma Star. Emperor's colts have big hips, pretty heads, and are extremely correct with a very trainable mind.

Thank you to LJSR for the opportunity to showcase our 2023 foals. We're hearing good things about offspring by RC, Dually and Skye. From breakaway roping prospects to ranch using horses, trail horses and youth projects, they are the definition of versatility. Yearlings, two year olds and three year olds by all three are eligible for the Ranch Horse Extravaganza in Mason City, Iowa, on Labor Day weekend 2023. Please join us for an open house sale preview on August 12, 2023 from 5-8 p.m. at our home, 26708 County Road 10, Starbuck, MN.

REFERENCE SIRE

Skye's first offspring are hitting the show pen and production. A two-year-old son placed 7th in the 2-year old Ideal Ranch Horse Non Pro and 2-year old Ranch Trail Non Pro in the inaugural Ranch Horse Extravaganza in Iowa last September. He and two other offspring, with limited riding, handled the very busy atmosphere beautifully. Pretty enough for the show pen. Practical enough for the ranch.
