Welcome to the 63rd annual Lazy JS Ranch Production Sale. This is our first foal crop by Paid For Potion and we couldn't be more excited. We had some rough luck with mares slipping foals over the winter, but we feel the quality of this year's foals make up for the loss in quantity. We have been fortunate over the years to have raised some really good horses that have excelled

on the ranch and in arenas across the country; most of our mares have been ridden and used for ranch work on our place as well. Since we try to use the mares on the ranch before breeding, we can be more selective in our program. We have bred World Show Qualifiers, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners. We are an AQHA Ranching Heritage Breeder, so our foals are eligible for those events if you show.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome Carter Acres, Stearns Quarter Horses, Bob and Jan Quickstad, TC Quarter Horses, Rahn Performance Equine as guest consignors. The sale will be broadcast via The Livestock Link if you can't be ringside. Directions to register are on page 27 or at www.thelivestocklink.com. Please note that Internet Explorer will not work with the video streaming. Please be sure to use a modern browser like Chrome, Safari or Edge.

Please check out our websites at www.lazyjsranch.com and www.carteracres.com. Videos of most of the colts are on www.facebook.com/lazyjsranch.

We look forward to seeing you on sale day! Make sure to come view the colts with their mothers at the ranch and join us for lunch and of course, pie and coffee, on Saturday, August 20! Visitors are always welcome, so if you are in the area or passing through, please stop by. The coffee is always on and we'd love to have you!

**PAID FOR POTION

2018 Bay Roan Stallion • #5889747

**15 HH
5 PANEL N/N**

We selected this exciting prospect from the great Sampson Family Ranch as we like what the offspring of Irish Pay have to offer. They have great dispositions, speed, cow, and are good looking. Combine that with the diversity maternal grandsire Peptos Blueprint is siring, we feel that “Whiskey” has the genetic tools to sire winners in roping, barrels, cowhorse events and everything in between. Kevin Rahn, Rahn Performance Equine, started him in 2020 and rode him again this spring through calving season. He says that “Whiskey has proven to have all of his favorite traits from his sire. He’s smart, willing, athletic, and kind.” We feel that Whiskey has all the tools to be a great sire for our program.

WMF ULTIMA

Remington is a beautiful bay roan stallion we chose to replace his sire, LJSR Poco Hook. We knew he'd be an asset as we kept two full siblings before him. Tressa rides a full brother and his full sister is LJSR Roan Chinook, one of the best young mares on the ranch. We are pleased with our foal crop by Remington. They all have great dispositions, are well balanced, and refined where needed.

LJSR Coastal, a three-year-old gelding by LJSR Poco Hook and out of LJSR Sand Dune, being used in Kentucky.

LJSR Rumchata, a five-year-old stallion by LJSR Emperor and out of LJSR Daiquiri, standing at stud at Eszlinger Ranch Quarter Horses in Ashley, ND.

Super athletic grandson of The Flying Saint. The Saint was a grand champion at halter and a race winner. He sired World Show qualifiers, ROMs, a Justin Rookie of the Year, and Solid Gold Barrel Race winners. Emperor's dam was one of the best producers we purchased from Stearns' Quarter Horses. She was an own daughter of AQHA Champion Mr Bar Pat Star who goes back to the great Oklahoma Star. Emperor's colts have big hips, pretty heads, and are extremely correct with a very trainable mind.

TC QUARTER HORSES

TROY AND CHAYLA OSTBY • TOSTBY11@GMAIL.COM • 467 LANE 9, LOVELL, WY 82431 • 320-212-3062

New state, new home, new brand, same great colts. We are starting to get settled into our new ranch in Lovell, WY, and are learning much about the wide open spaces of Big Horn County. We have found that the horses seem to be much more content grazing in big pastures of grass and the cool nights. JB is still the main man but we have added a counterpart. Rojo Blue Twist was purchased this spring off a ranch in Winnett, Montana. The blue roan stallion will add color and confirmation to the herd. His temperament is a carbon copy to JB and his offspring have proven themselves on the ranch where he was purchased. Chayla and I have decided to keep all the fillies this year to start building our brand here at home. Thanks to the Silhas and the Carters for the opportunity to sell our colts in Bowman and for being such great friends! Chayla, Camryn and I appreciate it so very much!

REFERENCE SIRE

JB has made the transition to WY nicely. His colts speak for themselves! Great confirmation, trainable and hard working! If you have offspring of JB you know exactly what I mean. If not, look to purchase one of his colts in the future, you won't be disappointed!

ROJO BLUE TWIST

2002 Blue Roan Stallion • #4296160

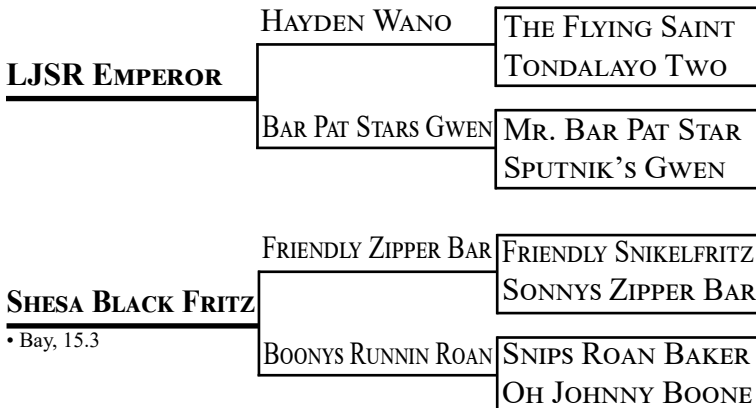

ROJO BLUE TWIST was purchased this spring. Big boned and big hip is what he is all about, not to mention great color! I was able to look at his offspring that were on the ranch in Montana and he sure does pass on all the great traits he is known for. We are super excited for his crop of colts next year and look forward to putting a few on next year's production sale!
