Welcome to our 53rd annual Quarter horse production sale! Sale time is our favorite time of year as we come together as family to enjoy old friends and meet new ones.

At 53 years in the horse industry we have raised a lot of horses and seen a vast quantity of others. We believe we have on the

ground, the nicest set of fillies we've ever raised and you'll drive a long way to find better.

Our commitment to breeding ranch horses was recognized this past year by the AQHA with the Ranching Heritage Breeder designation. Coupled with the Legacy Award and our father, Russ Silha's, induction into the North Dakota Cowboy Hall of Fame, we hope these accolades demonstrate our commitment to the horse industry and to you our customers.

Most of our mares have been ridden and used for ranch work. We are currently riding sons and daughters of all three stallions and they are good horses and have been easy to train.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

Make sure you join us at the ranch on sale day. Come view the colts with their mothers and join us for lunch and of course, pie and coffee! We look forward to seeing you on sale day!

REFERENCE SIRES

Hook is following in his sire's footsteps - producing outstanding foals with trainable dispositions, athleticism and frequently halter-quality conformation. We are currently riding a son and daughter. Both were easy to train, extremely smart, cowey, and love people. We gathered cows on LJSR Left Hook the first time out of the corral.

LJSR Red River, son of Poco Hook; second ride.

JB's greatest asset is the superb disposition he puts on his foals. We are currently using a daughter who gathered cows on her second ride and ponied another horse after 18 rides; she has an awesome disposition. Another daughter competed at a county fair for Nada's 10-year-old son after only a dozen rides!

Emperor's foals have huge hips and are power packed with muscle in all the right places. With his ancestry, they should all be super ranch or arena horses. Tressa is riding a 5-year old gelding that is very quick, can out walk any horse, and loves chasing cattle. Will eat them up, literally!

Welcome! We are thrilled with this year's foal crop and hope you can see why. They are especially consistent across stallions. We are especially proud of the dispositions being produced. Many of the foals will seek us out even in the pasture. This is the last foal crop by Mr. Shine 403. Though he produced outstanding foals, he lost a testical and we gelded him. Our 11-year-old daughter is riding a 3-year-old by Rush and is doing well in pleasure training. We invite you to check out our website at www.carteracres.com. We are trying to downsize the number of broodmares we have, so if you are looking for any, please feel free to take a look. We invite your questions or comments to nadacarter@carteracres.com or by calling us at 320-424-2957 or 320-239-4962. We are outside late so please leave a message and we'll respond within 24 hours. **Please join us for a sale preview at our place -- Friday, August 10, from 5-8 p.m.**

REFERENCE SIRE

Fancy Cut Diamonds, affectionately known as Tex, has done for our program just what we had hoped. He has produced a consistent set of well-balanced, keen headed, big hiped colts that should excel in any discipline. Best of all, the foals are kind, quiet, easy to handle and have a pedigree that is highly marketable.

We have found several mares that cross with Sterling exceptionally well. Long legs, keen heads packed with muscle, these foals will get you noticed. Sterling's colts especially love people—several will walk right up to us in the pasture which is quite extraordinary for babies.

INTRODUCING IN 2013

Our thanks to Allen and Diane McDaniel of Gwinner, ND, for the opportunity to lease VP Haidas Black Star for the 2012 breeding season. Affectionately known as "Viper", this gorgeous stallion is homozygous black, has the superb disposition we expect from all our stallions and is a grandson of Haidas Little Pep, the #9 all-time leading cutting sire. Viper was trained for cutting but was unshown due to injury. We are excited to infuse some more performance into our pedigrees and look forward to his foals in 2013.
